

CONSCIOUS DYING COLLECTIVE CALENDAR

Check out the list of offerings next year:

2026 UPCOMING Courses/Events

February 5

June 25

End-of-Life Doula Training

Our comprehensive Doula Training will take you through personal transformation and give you the skills to bring holistic, community deathcare to the world.

March 24

May 5

Befriending Death

Join us for 7 weeks as we explore mortality in a nurturing space. By the end of the course, participant will have engaged in LIVE Zoom calls, transformative experientials, and leave with a complete set of end-of-life documents*.

April 11

May 2

Navigating Eco-Anxiety

In this 4-session class, participants will learn concrete strategies to cope with and heal from their anxiety and grief in a world that feels increasingly difficult to navigate due to climate crises.

April 14

May 19

The Dementia Journey

Build self-reflection and awareness of the unique developments of Dementia, and gain the skills to holistically support people through brain changes from diagnosis through end of life.

May 6

September 23

End-of-Life Doula Training

This is our second offering of the comprehensive Doula Training in 2026. Through personal transformation and practical skills, you will be ready to bring holistic, community deathcare to the world.

July 11

August 1

Animal Companionship:

End-of-Life Support for Pets & Their People

A gentle, comprehensive training in animal end-of-life care, offering the emotional, spiritual, and practical tools needed to companion pets and their families through dying, death, and grief.
